

ARTS ADVOCACY DAY IN ALBANY

Wednesday, February 24, 2010

WE NEED YOU! Show your support for the Arts

The time is now! Arts support is in jeopardy and we need to educate our Legislative members about the economic, educational and quality of life reasons that the arts are an essential ingredient in our lives on Long Island. Show your support for arts funding--join us in Albany at Arts Action Day. Help to make our voices heard with our Legislators and to show enthusiastic support for arts funding for Long Island and the New York State Council on the Arts.

Your attendance is essential to support the Arts on Long Island!
